Dear Parents,

Kimberley Kids are collaborating with Anglicare to offer Protective Behaviours workshops. These workshops educate children and young people around personal safety. The topics will cover topics such as:

1. The Right to Feel Safe: Your rights and responsibilities.
2. Feelings and Early Warning Signs: Identifying when you feel unsafe.
3. Problem Solving: Who can help?
4. Body and Environment Awareness: Private & public body parts and places.
Ownership of your body and the difference between safe and unsafe people and actions.
5. Assertiveness & No-Go-Tell: Saying no to inappropriate behavior and telling a safe adult.

Our first session will be 04/08/2023 and the program will run for roughly 10 weeks.

If you would like your child to participate in our workshop and activities, please sign below.
